- Coloureds
- Whites
- Synthetics
- Blends

### USE IN:

- Industrial
- Domestic
- Top-loaders
- Frontloaders

FLAIR is a high-powered washing powder that makes clothes clean, bright and smelling fresh. Works well in both hot and cold water and perfumed with a fresh fragrance. The enzymes in FLAIR give it extra cleaning power for removing spot stains such as grass and proteins.

- Phosphate-free
- Based on biodegradable surfactants
