

NEW

MADE TOUGH FOR HARD WATER LAUNDRY BREAK

LAUNDRY BREAK is a heavy-duty alkaline detergent made for industrial, institutional and commercial laundries where washing machines are supplied by Automatic Liquid Detergent Feed Systems.

LET'S TALK

WHAT IS LAUNDRY BREAK?

LAUNDRY BREAK is a heavy-duty alkaline detergent for use in automatic laundry machine feed systems.

LAUNDRY BREAK functions as a break wash and also as the builder-adjunct to the companion products LAUNDRY DETERGENT and LAUNDRY BRIGHTENER. LAUNDRY BREAK has a high content of alkalinity which makes it ideal for use as a breakwash to prevent protein soils from setting.

LAUNDRY BREAK 5L **LAUBK5**
LAUNDRY BREAK 15L **LAUBK15**

KEY BENEFITS
