SWEETLY FORMULATED TO BRING IN THE FUN! THAT'S **LOLLYSHOP**

LOLLYSHOP is a sweet, fruity-perfumed cleaner with deodorising and anti-bacterial properties. It works as an air-freshener, cleaner and deodorisers all in one product.

LET'S TALK WHAT IS LOLLYSHOP?

LOLLYSHOP is a strong deodorising detergent with the cleaning and germ-killing action needed to remove offensive and putrid soilage matter. After removing the source of the bad odour the perfume of LOLLYSHOP reodourises the surface with a pleasant lingering fragrance.

LOLLYSHOP is ideal for use in healthcare, institutional and commercial buildings on all hard surfaces, including floors, tiles, fittings, paintwork, glass, walls, bins and compactors. It can also be used as an air freshener spray.
