

# ULTRA-HIGH STRENGTH TILE CLEANER

Removes stubborn ingrained dirt that other detergents can't!

## ONCE OFF ULTIMATE HD TILE CLEANER

Once Off is a concentrated, high-alkaline tile cleaner and degreaser. Its powerful cleaning and penetrating action effectively draws out stubborn, ingrained dirt from the tiny pores in surfaces. Although designed for autoscrubbers, Once Off may also be used for mopping, single brush rotary machines, and pressure washers.

Available in 5L & 20L

### KEY BENEFITS

- » Superior strength HD tile cleaner
- » Cleans first time round – reduce labour
- » Economical – dilutable to 1:120
- » Low foaming for autoscrubbers

### APPLICATIONS

Once Off is specially made for cleaning ceramic, porcelain, and quarry tiles that have are difficult to clean. It is also very effective at cleaning concrete, bluestone, sandstone, terracotta, and clay or concrete pavers.
