

INTRODUCING THE NEW ERA OF CLEANING WITH **POWERDET ECO**

POWERDET ECO is made for use over land or sea, safe on septic tanks and is sodium free. It is THE ideal cleaning choice for surfaces near natural waterways as well as over land.

POWERDET ECO is unique and completely different from other detergents. It is exceptionally low in aquatic toxicity, unlike standard detergents. It is ideal for cleaning surfaces near natural waterways such as rivers or the sea, as well as over land. POWERDET ECO solutions are approved for release directly into the sea.
