

SIZZLE

BURNS THROUGH GRIME FAST

- Fast-acting concentrated detergent
- Removes fat, grease, carbon and burnt-on food
- Perfect for ovens, deep fryers, outdoor barbecue hotplates, and grills

SIZZLE is a caustic-based detergent which rapidly attacks fats and burnt-on protein residues.

The selected surfactants in the product disperse and emulsify fatty, oily, proteinaceous and carbon residues, allowing the surface to be rinsed clean after a light scrub.
