# TUFF-GLOSS

## LONG LASTING SHINE & SUPERIOR GLOSS

Agar's latest sealer uses advanced polymer technology to create a dual action sealer-finish that is both ultra-durable and beautifully glossy.

- Ultra-glossy, wet look floor sealer
- Tough, long wearing formula extends the time between strip and seals
- Easy to strip with Agar sealer removers when required
- Fast and easy to apply - dries glossy straight off-the-mop
- Scratch resistance means floors stay shiny for longer
- Available in 5L and 20L

**Total Floor Care System**

Boost the benefits of your floor sealer by taking advantage of Agar's full Floor Care System, backed expert technical advice.

- Base Sealers** - Ultimate adhesion and a durable foundation
- Floor Maintainers** - Clean & top up sealer
- Cut-Back Detergent** - Removes soil and the top layer of sealer without the need for a full strip
- Sealer Removers** - Quickly strip all Agar sealers
