A concentrated cleaner that once diluted makes a high foaming liquid for scrubbing carpets and upholstery fabrics. The rich foam removes and suspends soilage from the material fibres and as it dries, the detergent and soilage dry to a crystalline, brittle residue that is removed easily by dry-vacuuming. Cleverly formulated with specially selected ingredients that contain anti-resoiling resins to coat and protect the fibres from soil penetration in the future.

- Dries to a brittle residue for easy vacuuming
- No rinsing required
- Great for fabric upholstery
- Fast-drying
- Pleasant floral fragrance
- Prevents rapid resoiling
- Value for money dilutes to 1 in 16
